14 THINGS YOU NEED TO KNOW

A SHORT GUIDE TO A FLAWLESS STAY

1. You will be registered at the address of the residence hall and issued a **Residence card** valid for the period of your studies in Lublin (for which you will need a photo).

2. Accommodation for one person costs about **PLN 470** (about **EUR 120**) + a one-time, non-refundable **admission fee** of **PLN 50** (about **EUR 15**); payments should be made at the reception by the **25th of each month, in cash**.

3. **Internet connection** will be available in the room at the cost of **PLN 25** (about **EUR 7**) per month. Please note that **wi-fi** is not available.

4. **Quiet hours** are from **11:00 pm (23:00) to 07:00 am**.

5. If a person who is not a resident of your dormitory visits you as a **guest**, he/she can do this between **7:00 am and 11:00 pm (23:00)** by leaving his/her **Identity Card** at the reception.

6. IF A GUEST WANTS TO **STAY OVERNIGHT** IN YOUR ROOM, HE/SHE WILL HAVE TO PAY **PLN 20** (ABOUT **EUR 5**).

7. You are expected not to turn your room into a war-zone (just keep it **tidy**), and should change your **bed sheets once a month** by giving them to the janitor and receiving clean ones.

8. YOU CAN NOT MOVE THE FURNITURE IN THE ROOM; IF THE POSITION OF THE FURNITURE IS EXCEPTIONALLY IRRITATING FOR YOU, YOU SHOULD INFORM THE **ADMINISTRATOR** OF THE RESIDENCE HALL BEFORE YOU TAKE ANY ACTION.

9. When you want to **move out**, you will have to write a notice **one month in advance**.

10. When you eventually **move out**, the administration will check your room; it is expected that you leave it in the **same condition** as when you **moved in**.

11. LAUNDRY IS AVAILABLE FOR FREE.

12. Drinking alcoholic drinks and smoking in the dormitory is forbidden.

13. You will have access to a **fully equipped kitchen**, but you will need to buy/bring **your own** cutlery.

14. You do not need to bring/buy bed sheets, though, as they are available for every room.
