¹ A translated (into Polish) and authenticated diploma or an apostille that allows the applicant to enroll in a postgraduate programme in the country of issue. It must be considered equivalent to Polish M.A. diplomas, following the regulations of international diploma verification, unless the applicant has been exempted from the requirements on the basis of the said regulations or unless their diploma has been recognized as equivalent to an M.A. diploma issued in the Republic of Poland on the basis of a reciprocal agreement. When in doubt, contact us.

² These include

obligatorily:

- a health statement to the effect that they can pursue the doctoral programme (can be obtained in the country of residence but must be accompanied by a certified translation into English or Polish);
- insurance against illness and accidents for the duration of the programme or the European Health Insurance Card (citizens of EU member states), or a declaration of enrolment in the Polish National Health Fund (Narodowy Fundusz Zdrowia, NFZ) upon commencement of the programme;

optionally, any of these, depending on the applicant's status:

- the Polish Charter (*Karta Polaka*);
- another document certifying their Polish descent, obtained from the Polish consulate in their country;
- a document certifying the refugee status;
- a residence permit or another document which allows them to stay in Poland for the required period of time;
- a document certifying temporary protection on the territory of Poland;
- a document certifying the status of a migrant worker (for citizens of EU member states, EFTA member states or the Swiss Confederation, or members of their families, if residing on the territory of Poland);
- a document certifying subsidiary protection on the territory of Poland.

³ If applicable.
