Educational outcomes verification methods	Either an essay or an oral exam
Description	This course explores the plurality of traditions and contemporaneities of humanism. It begins with the topoi of “Greek humanism” and the radical humanists discerned by the social psychoanalyst Erich Fromm in the Bible. The Renaissance and the Enlightenment constitute the loci of special investigation. This course reads closely L’Inhumain. Causeries sur le temps by the philosopher Jean-François Lyotard and examines transhumanism, alongside new media, including thinkers Rosi Braidotti, Ewa Domańska, Monika Bakke, Ewa Majewska, Lev Manovich, Ryszard Kluszczyński as well as artists Eduardo Kac, Orlan, Stelarc, Elvin Flamingo, and Yotam Dvir.
Practice	None
