List of scholarly works or independent studies published and information on achievements in teaching, scientific cooperation and popularisation of arts and sciences

I. List of publications deemed as scientific achievements, as referred to in Article 16.2 of the Act:

A) Title of scientific achievement:

Monographic study entitled *Prawnomiędzynarodowe aspekty obrotu ropą naftową na świecie. [International Legal Aspects of Global Crude Oil Trade]*

Publications relating to this scientific achievement:

Konaszczuk, W., *Prawnomiędzynarodowe aspekty obrotu ropą naftową na świecie [International Legal Aspects of Global Crude Oil Trade]*, Towarzystwo Wydawnictw Naukowych Libropolis, Lublin, 2017.

My contribution to the study consisted in selecting the research area and research methods, formulating the hypotheses, determining the current state of the art, doctrine and practice related to the given subject matter of the monographic study, selecting the available source materials, literature, and case law. As part of the subsequent thought process, the monographic study was written in accordance with the preliminary research assumptions. My contribution also included technical processing of the text, securing funding for its publication, publishing the monographic study in collaboration with a professional publishing house, and dissemination of the monographic study in traditional and electronic form.

My share in this scientific work is estimated at 100%.
