

RESOLUTION No. XXV – 5.17/21

Of the Senate of

Maria Curie-Sklodowska University

in Lublin

from February 24, 2021.

on recruitment to the Doctoral School of Quantitative and Natural Sciences in the academic year 2021/2022

Based on Article. 200 point 2 of the Act of 20 July 2018 The Law on Higher Education and Science (Journal of Laws of 2020, item 85 with later amendments), hereinafter referred to as the Act, the Senate of Maria Curie-Sklodowska University in Lublin sets the following rules for the admission of candidates in the academic year 2021/2022 to the Doctoral School of Quantitative and Natural Sciences (hereinafter referred to as the Doctoral School) run by Maria Curie-Sklodowska University in Lublin, hereinafter referred to as the "University", together with the Bohdan Dobrzanski Institute of Agrophysics of the Polish Academy of Sciences in Lublin, hereinafter referred to as "IA PAN" and the Institute of Soil Science and Plant Cultivation - State Research Institute in Puławy, hereinafter referred to as "IUNG-PIB" and Jerzy Haber Institute of Catalysis and Surface Chemistry of the Polish Academy of Sciences in Kraków, hereinafter called 'IKiFP PAN':

§1

1. The purpose of the recruitment procedure is to select candidates for the Doctoral School based on the assessment of their knowledge, achievements and the level of preparation for undertaking education.
2. The recruitment procedure has the form of competitive admission . The results of the recruitment are public.
3. Detailed rules for the evaluation of candidates are set out in Appendix 1 to this resolution.
4. The recruitment procedure may be conducted in English.
5. The recruitment procedure is conducted at the University headquarters. In the case of candidates from abroad who cannot apply for an interview conducted at the University headquarters, the interview can be conducted using an instant messenger.

§2

1. Persons eligible for admission to the Doctoral School will hold a master's degree, a master's degree in engineering or an equivalent degree, or will be a person referred to in Article 186 para. 2 of the Act.
2. A prerequisite for the admission of a candidate to the recruitment procedure is setting up a personal account in the Recruitment Service System, hereinafter referred to as SOR. SOR operates at: rekrutacja.umcs.pl. Candidates access SOR on their own.
3. After creating an account in SOR, the candidate selects a doctoral school and indicates the scientific discipline in which they intend to prepare a doctoral dissertation and attaches photocopies/scans of all

the required documents referred to in para 4, points 2 – 7 and submits, in the offices of the Doctoral School, paper versions of the documents referred to in points 4 and 5.

4. A candidate for the Doctoral School submits the following documents:

- 1) application for admission to the Doctoral School generated from the SOR site;
- 2) a copy of the diploma confirming that they hold a master's degree, master's degree in engineering or equivalent together with the supplement, if it has been issued (the original documents for inspection), or a diploma referred to in art. 326 para. 2 point 2 or 327 para. 2 of the Act stating the right to obtain a doctorate in a country in which the higher education institution that issued it operates, subject to the provisions of point 3;
- 3) in the case of persons referred to in art. 186 para. 2 of the Act a copy of the diploma of completion of first-degree studies with a supplement, if it has been issued (originals of the documents for inspection), or a certificate of completion of the third year of uniform Master's studies;
- 4) current photograph, consistent with the requirements applicable when issuing identity cards in Poland;
- 5) documentation confirming the previous achievements in accordance with Appendix No. 1 to this resolution;
- 6) information about one research subject chosen, selected from among the research topics included in the announcement of the recruitment to the Doctoral School, subject to the provisions of point 7;
- 7) the candidate may submit their own research subject, as long as it is partially consistent with the areas of research conducted in:
 - a) University units responsible for scientific disciplines: mathematics, biological sciences, chemical sciences, physical sciences, earth and environmental sciences,
 - b) IA PAN and IUNG-PIB responsible for agriculture and horticulture disciplines
 - c) IKiFP PAN responsible for chemical sciences.

In the case referred to in point 7 above, the candidate attaches the consent of the University / IA PAN/ IUNG-PIB/ IKiFP PAN employee to supervise the candidate after qualifying for the Doctoral School.

5. A candidate for the Doctoral School may also submit an opinion about their aptitude for research work, prepared by an academic teacher.

6. Candidates qualified for the Doctoral School are required to enter an electronic version of their photograph into their personal account in SOR and to pay a fee for issuing an electronic doctoral student card in the amount determined by the minister competent for higher education.

§3

1. The rules for undertaking and receiving education at a doctoral school by foreigners are defined in art. 323 in connection with art. 326, 327, 328, subject to the provisions of art. 198 par. 8 of the Act.

2. Foreigners may undertake education in Polish if they demonstrate knowledge of the Polish language, i.e. if they:

- 1) complete a one-year preparatory course to study in Polish in institutions designated by the minister responsible for higher education, or
- 2) have a certificate of Polish language knowledge issued by the State Commission for the Certification of Proficiency in Polish as a Foreign Language, or
- 3) have finished secondary school abroad, in which classes were taught in Polish or
- 4) have finished secondary school in Poland or
- 5) have completed university studies in Poland with a major in Polish, or
- 6) during the interview, will obtain confirmation that their preparation and the level of Polish language skills allow them to undertake education in Polish.

3. Foreigners may undertake education in a foreign language if they:

- 1) have a document confirming knowledge of a foreign language in which education is conducted, listed in Appendix 2 to this resolution, with the proviso that the documents confirming knowledge of a foreign language are also certificates, diplomas or other documents confirming the completion of a post-primary school abroad, whose classes were conducted in the same foreign language in which the foreign student will be educated in Poland, as well as a diploma of higher education in Poland conducted in the same foreign language, in which the foreign student will be studying at the Doctoral School, or
- 2) during the interview they will get confirmation that their preparation and the level of foreign language skills allow them to undertake education in a foreign language.

4. Foreigners, in addition to the documents listed in § 2 para. 4, submit:

- 1) legalization or validation documents of the documents referred to in § 2 para. 4 points 2 and 3, if issued by a university from outside the territory of the Republic of Poland;
- 2) a copy of the ID document;
- 3) photocopies of documents certifying legal stay on the territory of the Republic of Poland, if they were issued before or during the recruitment procedure or the foreign candidate's statement that they will submit relevant documents immediately after the commencement of education, if they qualify for the Doctoral School;
- 4) one of the documents referred to in para. 2 points 1-5 confirming the knowledge of the Polish language if the candidate wants to study in Polish or one of the documents referred to in paragraph 3 point 1, confirming the knowledge of a foreign language if they want to study in a foreign language;
- 5) photocopy of the insurance policy in case of illness or consequences of accidents for the period of education in Poland or the European Health Insurance Card, or a foreigner's statement that they will join the NFZ immediately after the beginning of their education.

5. The University may ask the candidate for submission of an ordinary translation into Polish of the documents referred to in § 2 para. 4 points 2 and 3.

§4

1. The Rector or the Vice-Rector authorized by him shall supervise the recruitment process to the Doctoral School.

2. Direct supervision over the recruitment process to the Doctoral School is exercised by the Director of the Doctoral School of Quantitative and Natural Sciences, hereinafter referred to as the Director.
3. The candidates for the Doctoral School are assessed by the Recruitment Committee appointed by the Rector at the request of the Director.
4. By 18 June 2021, the Director will submit to the Rector a proposal of the composition of the Recruitment Committee.
5. The Recruitment Committee consists of:
 - 1) the Director who chairs the work of the Committee; if the Director is unable to perform these duties the Committee will be chaired by the rector responsible for the Doctoral School,
 - 2) persons with the degree of habilitated doctor (dr hab.) or with the title of professor or an equivalent degree or, possessing current scientific achievements in the field of scientific disciplines within the framework of which education in the Doctoral School is conducted - two persons representing each of the disciplines within the school, employed by the University units which run the school
 - 3) two representatives of doctoral students representing scientific disciplines within the Doctoral School, designated by the doctoral students' self-government.
6. The Director shall appoint, out of the members of the Recruitment Committee, a Subcommittee to carry out the evaluation of candidates in the field of a given scientific discipline composed of:
 - 1) the Director who chairs the work of the Subcommittee;
 - 2) two persons from the field of scientific discipline within which the candidate intends to prepare a doctoral dissertation;
 - 3) a person representing another scientific discipline, different from the one mentioned in point 2.
 - 4) a representative of doctoral students.
7. At the request of a candidate for the Doctoral School or a member of the Subcommittee or a project Manager, a Subcommittee meeting may also be attended, in an advisory capacity, by a person who, in particular: has consented to supervise the candidate's research project or is a research project Manager in which the candidate for the Doctoral School is to be employed. The Director has the right to refuse the person referred to in the first sentence to participate in the meeting of the Subcommittee.
8. Resolutions of the Recruitment Committee and Subcommittee are passed by a simple majority of votes.
9. In the case of an equal number of votes, the vote of the Director is decisive.
10. The Subcommittee shall prepare, evaluated individually for each candidate, an individual report containing the results obtained by the candidate from all the elements assessed, as set out in Appendix 1. The protocol shall be signed by the members of the Subcommittee. In the case of a remote Subcommittee meeting, the protocol will be signed by its Chairperson.
11. After the assessment of all the candidates by the Subcommittees, the Recruitment Committee, on the basis of individual protocols, arranges the ranking of recruitment participants for the Doctoral School, within the admission limits, referred to in § 5 para. 1. The total number of points scored determines the place of the candidate on the ranking list.

12. The Recruitment Committee, taking into account the admissions limit determined by the Rector and the place of the candidate on the ranking list, issues an opinion in which it recommends or refuses recommendations regarding the admission of a given candidate to the Doctoral School, guided by the principle that the priority for admission to the Doctoral School are candidates who have scored the highest number of points to the limit of places. In the event of special circumstances justifying the admission to the Doctoral School of a larger number of persons than is envisaged by the limit determined by the Rector, the Director may apply to the Rector, through the Vice-Rector, with a request to increase the admissions limit, in agreement with the Director of IA PAN , the Director of IUNG- PIB, and the Director of IKiFP PAN .

13. The Recruitment Committee, considering the similarity of research topics, may propose to the candidate who has obtained a sufficient number of points, a change in the scientific discipline referred to in § 2 para. 3. The candidate consents to the change of the discipline in writing.

14. In the case of more than one candidate being qualified for the same research topic, the candidate with the highest number of points has priority. The Recruitment Committee may propose to other candidates a change of research topics within the same discipline referred to in § 2 para. 3. The candidate consents to the change of the discipline in writing.

15. The Recruitment Committee draws up a collective report in two copies, the attachment to which are two ranking lists of the participants of the proceedings, containing the results of the evaluation of all the participants in the proceedings and the recommendation referred to in para. 12. The collective report is signed by the members of the Recruitment Committee. In the case of a remote meeting of the Recruitment Committee, the protocol is signed by its Chairperson. The Director shall pass the report to the Rector or the Vice- Rector authorized by the Rector.

16. The admission or refusal to accept a foreigner to the Doctoral School takes place on the basis of the Rector's administrative decision issued in particular on the recommendation of the Recruitment Committee, subject to the provisions of para. 17. An application for reconsideration may be submitted against the decision.

17. The Rector may authorize the Director to issue the decision referred to in para. 16.

18. Persons entered on the list of doctoral students having a doctoral degree are obliged to inform the Director about it, not later than one week from the beginning of the first semester of education at the Doctoral School.

§5

1. 1. The Rector, in consultation with the Director of the IA PAS, the Director of IUNG-PIB and the Director of IKiFP PAN, by June 18, 2021 will announce, by way of a regulation, the admission limit to the Doctoral School for the academic year 2021/2022, including a separate admission limit for the implementation of research projects financed from external sources, provided that the doctoral scholarship referred to in Art. 209 of the Act, is fully financed for a period of at least 36 months from the commencement of education at the School, subject to paragraph 2.

2. The Rector may exceptionally agree to the admission of a candidate to the School in the event of failure to meet the requirements regarding the financing of the doctoral scholarship, if it is supported by a particularly important interest of the entities running the School.
3. The Director shall submit to the Rector a detailed schedule of the recruitment procedure by June 18, 2021.
4. The Director shall submit to the Rector by June 18, 2021 a list of research subjects referred to in Appendix 1 to this resolution, broken down into the academic disciplines that form the Doctoral School.
5. The admissions limit, schedule of proceedings and list of research subjects referred to in paragraph 4, will be made public on the website www.umcs.pl and on the websites of IA PAN, IUNG-PIB and IKiFP PAN by June 25, 2021.
6. Recruitment process to the Doctoral School should be completed by September 25, 2021, subject to paragraph 7.
7. In the event of circumstances justifying additional recruitment to the Doctoral School after September 25, 2021 (in particular such as: obtaining financial resources for the implementation of basic research in the form of a research project, internship or scholarship by decision of the NCN director), the Director, in agreement with the Director of IA PAN, the Director of IUNG-PIB and the Director of IKiFP PAN, may apply to the Rector with a request for additional recruitment. The Director's request will be accompanied by the proposed schedule of the recruitment procedure.

§6

1. The basic tasks of the Director include:

- 1) organizing and conducting the recruitment proceedings;
- 2) acceptance of documents from candidates to the Doctoral School;
- 3) checking and confirming the conformity of the candidates' details contained in SOR with the submitted documents;
- 4) notifying candidates of the date and proceedings of the recruitment process;
- 5) entering a qualified candidate on the list of doctoral students;
- 6) issuing an administrative decision of not admitting a candidate to the Doctoral School and preparing it in two copies;
- 7) issuing an administrative decision based on the Rector's authorization to admit or refuse a foreigner to the Doctoral School and to prepare it in two copies, if the Director receives the relevant authorization referred to in § 4, point 16;
- 8) delivery of the decision referred to in point 6 or 7, to the candidate by hand with a receipt or sending it by registered mail with a return confirmation of receipt;
- 9) examining the application for reconsidering the case, against the decision referred to in point 6 or 7;
- 10) making the results of the recruitment procedure available to the candidates in SOR.

2. The activities referred to in paragraph 1 point 1-4, 8, 10 may be performed by other persons authorized in writing by the Director. These persons will immediately inform the Director about carrying out the above-mentioned activities.

§7

1. The Director shall refer candidates for specialist medical examinations if during their education they may be exposed to factors that may be harmful, burdensome or dangerous to health, according to the Regulation of the Minister of Health of 26 August 2014 on medical examinations of candidates for upper secondary schools or higher and for qualifying vocational courses, students of these schools, students, students of vocational qualification courses and participants of doctoral studies (i.e. Dz.U.2019.141 with later amendments).

2. A candidate with a certified disability, in justified cases, should, 7 days before the scheduled interview date, inform the Director:

- 1) about the need to employ in the interview a sign language interpreter or assistant for persons with physical disabilities and blind persons;
- 2) about changing the form of the interview.

3. Persons assisting candidates with disabilities referred to in paragraph 2, should have the consent of the Director to participate in the recruitment procedure. The Director has the right to reject a request for participation of an assistant of a candidate with disabilities in the recruitment procedure, if it is a person who is professionally or through employment connected with the discipline of a science under which the candidate intends to prepare a doctoral dissertation.

§ 8

In matters of recruitment not provided for in this resolution, decisions are made by the Rector or the Vice-Rector authorized by him, in consultation with the Director of IA PAS, the Director of IUNG-PIB and the Director of IKiFP PAN.

§ 9

The resolution comes into force on the day of its adoption.

President of the UMCS Senate

Prof. Dr. habil. Radosław Dobrowolski
