

## I. General information

It is our great pleasure to invite you to the International Scientific Conference devoted to new paradigms in the law of European states on the example of Poland, Ukraine and Hungary. We are deeply convinced that cooperation links and research proposals in this field will be an important outcome of the conference.

All active conference participants will be added to MS Teams based on email addresses. A link will be sent to you before the conference to enable you to connect online.

## II. Information for passive participants:

Send email addresses by 23th of May 2021: nataliamalgorzatakurek@gmail.com

Information for registered persons in the MS Teams platform.

### 1. Team:
