Information on the protection of personal data:

The granted consents are valid now and in the future on condition that the purpose of their processing is not changed, there is no objection to the processing of personal data, there are no requests to cease processing or withholding the consent.

- The administrator of the data collected in the Archive of Diploma Theses System is Maria Curie-Skłodowska University (UMCS), based in Lublin, at Pl. Maria Curie-Skłodowska, 20-031 Lublin.
- Uploading the diploma thesis in the Archive of Diploma Theses system is obligatory and results from the Law on Higher Education and the Regulation of the Ministry of Science and Higher Education in the matter of course of studies.
- Data such as: the title of the diploma thesis, names and surname of the author, supervisor and reviewers of the diploma thesis, organisational unit, date of the subject approval, submission of the thesis and diploma exam are entered into the system by the dean's office employees. The summary of the thesis, key words and the diploma thesis itself are uploaded into the system directly by the students, while the reviews are uploaded by the supervisor and the thesis reviewers.
- The collection of data takes place on the basis of the above-mentioned regulations, in order to support the process of submitting and preparing the diploma thesis for defence within the framework of the system supporting keeping the documentation of the course of studies, as well as fulfilling the obligation to keep the repository of diploma theses and to check them using the anti-plagiarism system.
- Data collected in the Archive of Diploma Theses system will be stored for the period resulting from the provisions of law and internal procedures in force at UMCS.
- To the extent that data processing is based on the consent (publication of data or placing the thesis in the Archive library), the data subject has at any time the possibility to withhold the granted consent and object to data processing. In such a situation, the data will be stored in the Archive of Diploma Theses system in a manner ensuring that unauthorized persons will not have access to them (personal data will be kept confidential), and the thesis will be available in connection with the need to conduct verification actions in the field of plagiarism prevention. The University, in connection with the legal obligation imposed on it, has no right to delete diploma thesis from the system.
- Information on the functioning the Archive of Diploma Theses system is available at <https://apd.umcs.pl/> and at <http://www.umcs.pl/pl/>
- Data will not be subject to further processing or profiling and no automated decision-making will take place in the course of data processing. They will not be made available to external

recipients, they will not be transferred to third countries and international organizations, except for their publication, in accordance with the granted consents.

- The data subject has the right to access data, the possibility of rectification, limitation of processing, the right to data transfer, and in cases provided by law the right to object to data processing, and withholding consent at any time, which will result in confidentiality of data from the access of unauthorized persons, also has the right to submit a complaint to the supervisory unit.
- The administrator of personal data has appointed a person supervising the correctness of personal data processing, who can be contacted at: dane.osobowe@poczta.umcs.lublin.pl .
