**The way from the dormitories to the University** buildings located at Maria Curie-Skłodowska Square is accessible for people with physical disabilities. There is an elevator at the footbridge over Sowiński Street. There are ramps on the footbridge, including one at the side entrance to the Rector's Office building. Within the Square there are lowered curbs and flat accesses to each Faculty located at Maria Curie-Skłodowska Square.

### 1. Instruction by the footbridge over Sowiński Street

### 2. Footbridge and outdoor elevator

## Faculty of Arts

al. Kraśnicka 2a, 2b

20-718 Lublin

There are ramps in front of the entrance to the Institute of Music and the Institute of Fine Arts, but due to the inadequate space in front of the buildings, accessibility for people with physical disabilities is difficult. There are no elevators in the buildings. There is a quiet room at the entrance to the Institute of Fine Arts. There are induction loops in the front office and in the Student Affairs Office.

### 3. Quiet Room the Institute of Fine Arts

## Faculty of Biology and Biotechnology

ul. Akademicka 19

20-033 Lublin

The building is partially accessible to people with physical disabilities. There is a ramp at the entrance to the building. There are wheelchair stairlifts and elevators in two places. There are accessible toilets in the building. The building consists of two wings. The ground floor and the first floor of both wings are fully accessible. There are two accessible elevators in the new wing that do not go to the top floor. There is a small elevator in the old wing, which is not accessible for wheelchair users.

### 4. Ramp by the entrance

### 5. Elevators in the new wing

## 6. Wheelchair stairlift on the ground floor

## Faculty of Chemistry

Building A:

pl. M. Curie-Skłodowskiej 2

20-031 Lublin

Building B:

pl. M. Curie-Skłodowskiej 3

20-031 Lublin

Building C:

ul. Gliniana 33

20-614 Lublin

The entrance to the building B is from the ground level. There are two elevators inside. There is an accessible toilet on each floor. There are induction loops in the front office and in the Student Affairs Office.

There is a ramp in front of the building A and a wheelchair stairlift inside. There is no elevator in the building.

There is a ramp in front of the entrance to building C. Inside there are accessible toilets and an elevator. There are two steps in the corridor (no ramp) leading from the main entrance to the elevator.

### .7. Entrance to the building A

8. Wheelchair stairlift in the building A

9. Elevators in the building B

10. Entrance to the building C

11. Elevator in the building C

## Faculty of Economics, Rector's Office

pl. M. Curie-Skłodowskiej 5

20-031 Lublin

There are three entrances to the building from the ground level. Inside there is a large elevator that stops on all floors, a spacious elevator in the annexed staircase, and two small elevators that stop from the fourth floor. Access to the faculty library (level -1) is only via the stairs. Student with physical disabilities can access the library with the support of a dedicated assistant. Accessible toilets are located on the ground floor. There are accessible parking spaces in front of the building.

### 12. Main entrance to the building

### 13. Large elevator for all the floors

14. Toilets on the ground floor

15. Small elevators that go from the ground floor to 4. and higher

## **Faculty of Language, Literatures and Cultures, Faculty of History and Archeology**

pl. M. Curie-Skłodowskiej 4A  
20-031 Lublin

At the main entrance, there is a map showing the entrance for people with physical disabilities. It is also the entrance to the Faculty of History and Archeology, as the Departments are located in one building. Inside, there are four elevators and there are Braille signs on the doors of each room. There is accessible toilet on each floor.

17. Two out of four elevators

18. Ramp leading to side entrance

## **Faculty of Philosophy and Sociology**

pl. M. Curie-Skłodowskiej 4

20-031 Lublin

There are ramps and lowered curbs in front of the entrance. Inside there is an elevator with Braille signs and a voice system. The elevator does not stop on level -1, where the faculty library is located. Student with physical disabilities can access the library with the support of a dedicated assistant. There is accessible toilet on each floor. There is a quiet room in the passage between the Faculty of Philosophy and Sociology and History and Archeology. From the Faculty of History and Archeology the entrance is fully accessible, but from the Faculty of Philosophy and Sociology – only via the stairs.

### **19. Main entrance**

20. Elevator does not stop below the ground floor

## Faculty of Mathematics, Physics and Computer Science

ul. Radziszewskiego 10

20-031 Lublin

It consists of four buildings (A, B, C, D) – even though the division does not strictly correspond to the division into three institutes, we will use the names of the Institutes to make it easier. The access between the building is provided by the wheelchair stairlifts. Two entrances are adapted to people with physical disabilities: to the Institute of Mathematics and the Institute of Computer Science. Both entrances are from the Maria Curie-Skłodowska Square. There is elevator in each building. There are accessible toilets in all the buildings. There are accessible parking spaces near the entrances.

### 21. Passage between the Institute of Mathematics and the Institute of Physics

22. Passage from the Institute of Mathematics to the Institute of Computer Science

23. Entrance to the Institute of Computer Science

## **Faculty of Earth Sciences and Spatial Management**

al. Kraśnicka 2D

20-718 Lublin

There is a ramp in front of the building. There is an elevator inside and ramps providing access to most of the rooms in the building. There is an induction loop installed in the front office. There are accessible toilets and a quiet room in the building.

### **24. Elevator in the building**

25. Quiet Room

26. Indoor ramp

## Faculty of Education and Psychology

ul. Głęboka 43

20-612 Lublin

The entrance to the Institute of Psychology is from the ground level, there is a ramp in front of the Institute of Education. The elevators have voice systems and Braille signs. There is accessible toilet on each floor. The Faculty has rooms where students can rest and learn. Induction loops can be found in the front office and in the Student Affairs Office. There are accessible parking spaces in front of the building.

27. The passage between the Faculty of Political Science and Journalism and the Institute of Psychology

28. The elevator in the Institute of Education

29. Accessible toilet in the Institute of Education

## **Faculty of Political Science and Journalism**

ul. Głęboka 45

20-612 Lublin

The entrance to the building is from the ground level and from the side of the Institute of Psychology. There are accessible toilets on each floor. The elevator has a voice system and Braille signs. There are induction loops in the front office and in the Student Affairs Office. There are accessible parking spaces in front of the building.

### **30. Elevator on the Faculty**

### **31. Accessible toilets**

## Faculty of Law and Administration

Pl. M. Curie-Skłodowskiej 5

20-031 Lublin

The building has been completely renovated. Main entrance to the building is from the ground level, there are two elevators and accessible toilets on each floor. There are induction loops in the front office and in the Student Affairs Office. There are accessible parking spaces in front of the building.

### 32. Main entrance to the Faculty

## Centre for Physical Culture

ul. Langiewicza 22

20-032 Lublin

The entrances to both buildings are from the ground level. Outdoor and indoor elevators provide access to the rooms, where classes dedicated to people with disabilities are held. In both buildings there are changing rooms adapted to the needs of people with disabilities. The sports room is equipped with equipment for gymnastic exercises and boccia game.

### 33. Outdoor elevator near the building B

### 34. Main entrance to the building A

## **Main Library**

ul. Radziszewskiego 11

20-031 Lublin

The entrance in the new part is from the ground level. The building has an elevator and accessible toilets on each floor. There are accessible parking spaces in front of the library. Please check the current availability of reading rooms on the Library website.

35. Side entrance to the new part of the building

## **Academic Centre for Culture and Media „Chatka Żaka”**

ul. Radziszewskiego 16

20-031 Lublin

The building is accessible for people with physical disabilities. There is a ramp in front of the entrance. Inside, there are two wheelchair stairlifts: in front of the performance hall and in front of the Media and Art Incubator. There are accessible toilets in the building. Down the corridor there is an elevator with a voice system. There is an induction loop at the front office.

36. Main entrance to Chatka Żaka

37. Elevator down the corridor

38. Wheelchair stairlift by the Media and Art Incubator.

## Academic Canteen „Trójka”

ul. Langiewicza 16

20-035 Lublin

You can access the canteen through the elevator. There are no architectural barriers and a friendly coworking space inside.

39. Main entrance to the canteen

40. Elevator by the canteen, access from the parking lot

41. Coworking space by the canteen
