EUROPAMOBIL

Bringing Europe into schools!

What is Europamobil?

Europamobil is a project for students and pupils. It aims to enhance students' commitment to the EU and pupils' interest in European issues by making Europe a concrete and inspiring experience.

Each year, an international team of students from all over Europe is formed and trained over a week-long introductory seminar.

In 2023, Europamobil will visit schools in the region of Grand Est in France.
