Warszawa, 18 July 2023

*Dear Professor,*

Along with the personnel of the Royal Danish Embassy in Warsaw, I would like to express my sincere thanks to the Department of Applied Linguistics for the opportunity to cooperate with your staff member, Mr Konrad Szulga. In May, June, and July this year, Mr Szulga accompanied delegations of Polish entrepreneurs and local government officials during study visits to Denmark as an interpreter. The purpose of the visits was to showcase the achievements of Danish municipalities and businesses in the process of 'green transition,' i.e. a journey towards becoming carbon-neutral.

During the visits to Denmark, Mr Szulga demonstrated the highest level of etiquette and professionalism, including technical expertise, when providing interpretation services to the delegates during numerous meetings, presentations, and site tours. His role was instrumental in making the events a success, which both the hosts and the delegates confirmed in their feedback.

Wishing you and your Department much success in research and organisational effort, I remain convinced that the cooperation with Mr Konrad Szulga as an interpreter for the Royal Danish Embassy in Warsaw will continue in the near future.

Yours truly,

Ole Toft

Ambassador  
of the Kingdom of Denmark  
to the Republic of Poland
