Link for more information:  
<https://www.climatefinancephd.org/>

The weekly two-hour core sessions for all students will be held on Tuesdays in synchronous Zoom sessions.

This is a global synchronous course, so no time is ideal; our classes are on Tuesdays from 16:00-18:00 GMT (or 11 am-1 pm EST). Participants are expected to have their cameras on for the class and to participate in the discussion. Each core session will provide an overview of the topic and discuss 4-5 research paper

Jan 30 - Introduction to climate science

Feb 6 - Climate, Sustainability, Economic and Finance Theory 1

Feb 13 - Climate, Sustainability, Economic and Finance Theory 2

Feb 20 - Climate and Asset Pricing (Theory)

Feb 27 - Climate, Accounting, and Corporate Carbon Disclosures

March 5 - Climate and Investment Management

March 12 - OFF, no class

March 19 - Climate and Asset Pricing (Empirics)

March 26 - Climate and Investment Management (part 2)

April 2 - Climate and Corporate Finance

April 9 - Climate and Household Finance

April 16- Climate and Financial Institutions

April 23 - Wrap up and Discussion
