4	Web page:	
5	Semester:	summer
6	Hourly equivalents of ECTS credits:	<p>Contact hours (with academic teacher) Seminar 30h, 2 ECTS Consultations and passing 2h Total number of hours with participation of an academic teacher 32h Number of ECTS credits with participation of the academic teacher 1</p> <p>Non-contact hours (students' own work) Literature studies 10h Preparing to the assessment test 18h Total number of non-contact hours 28h Number of ECTS credits for non-contact hours 1</p> <p>Total number of ECTS credits 2</p>
7	Requirements:	Basic knowledge of Polish and European history
8	Description:	The course discusses the basic problems of Polish modernization in global context from the perspective of historical sociology. The aim is to show the genesis of modern Poland and to see contemporary challenges as results of the unique path of development.
9	List of topics:	<ol style="list-style-type: none"> 1. What is modernization and why it is uneven? 2. Backwardness and underdevelopment in the European periphery. Historical sociology of modernization. 3. Polish history of late modernization: the origins of backwardness. 4. Eastern Europe through Western eyes: invention of Eastern Europe. 5. Polish social elites in XIXth century: the symbolic hegemony of intelligentsia. 6. Polish peasants: from serfdom to political agency. 7. Social consequences of industrialization: Łódź as Polish Manchester. 8. National identity and the lack of state. 9. Polish Catholicism: from hegemony to contemporary secularization. 10. Polish regional development: how history matters today? 11. Polish leaps to modernity: 1918, 1944, 1989. 12. Are we really "Europe's growth champion"? 13. Civil society and citizenship model in Poland: from nobility to citizens. 14. Communism from historical perspective: the successes of the Second World. 15. Why history matters?
