## CURRICULUM VITAE

**Current status:** Research Fellow (chargé de recherches) with INSERM (National Institute of Health and Medical Research)

**Current affiliation:** *Institut Marcel Mauss (UMR-8178)*, a Joint Research Institute of CNRS (National Center of Scientific Research) and the École des Hautes Études en Sciences Sociales (EHESS).

### 1.1 University curricula

- ◆ 1970–1972 Tel Aviv University, undergraduate training in Psychology, Mathematics and Philosophy.
- ◆ 1974–1981 Université de Paris VIII, undergraduate and graduate training in Experimental Psychology.

### 1.2 Diplomas

- ◆ 1976 – BA (licence) in Psychology, Université Paris VIII.
- ◆ 1979 – MA (DEA) in Experimental Psychology, Université Paris VIII.
- ◆ 1981 – Doctoral degree in Cognitive Psychology, Université Paris VIII.
- ◆ 2001 – Habilitation in Psychology, Université René Descartes (Paris V)

### 1.3 Postgraduate training

- ◆ 1982 Post-doctoral fellow at the Clinica Neurologica dell'Università di Padova; holding postdoctoral grants from the European Training Programme in Brain and Behavior Research and from Fyssen Foundation (Neuropsychology, Neurolinguistics),
- ◆ 1983 Post-doctoral scholar at the Center for Human Information Processing, University of California, San Diego; holding a second grant from Fyssen Foundation (Cognitive Psychology, Modeling).

### 1.4 Research positions

- ◆ 1984 Research Associate with CNET (French National Center of Telecommunication Research),
- ◆ 1985–1988 Junior Research Fellow (Chargé de Recherches 2<sup>ème</sup> Classe) INSERM,
- ◆ 1989– Research Fellow (Chargé de Recherches 1<sup>ère</sup> Classe) INSERM.

### 1.4 Laboratories

- ◆ 1985–1986 Laboratoire d'Informatique pour la Mécanique et les Sciences de l'Ingénieur (LIMSI-CNRS),
- ◆ 1986–1993 Laboratoire de Recherches sur le Traitement du Langage Normal et Pathologique (TLNP),

- ◆ 1993–1998 Laboratoire de Neuropsychologie du Langage et de la Cognition (NLC), Université Pierre et Marie Curie,
- ◆ 1998–2002 Neuropsychologie et Neurobiologie du Vieillissement Cérébral (INSERM U-324),
- ◆ 2005–2009 Laboratoire Modèles, Dynamiques, Corpus (MODYCO) – UMR 7114 – CNRS and Université Paris Ouest-Nanterre.
- ◆ 2010– Institut Marcel Mauss (IMM) – CNRS UMR 8178 & EHESS (current).

## 2. Teaching

- ◆ 1979–1982 Introductory courses in General Psychology, Université Paris VIII,
- ◆ 1993–1998 Graduate course in Neurolinguistics, Université de Provence, Marseille,
- ◆ 2001–2004 Graduate seminar: *Microgenesis of Language and Perception*, École des Hautes Études en Sciences Sociales, Paris,
- ◆ 2004–2005 Graduate seminar: *Microgenesis of Semiotic Forms: Perception, Action, Expression*, École des Hautes Études en Sciences Sociales, Paris.
- ◆ 2007–2011 Graduate course and seminar: *Microgenesis, Semantic Forms and Symbolic Activity*, École des Hautes Études en Sciences Sociales, Paris.
- ◆ 2011–2013 Graduate seminar: *Semiotic Anthropology: Expression and Symbolic Forms*, École des Hautes Études en Sciences Sociales, Paris.

## 3. Administration and Research Management

### 3.1 Laboratory director

1993–1998 Director of Laboratoire de Neuropsychologie du Langage et de la Cognition (NLC), Université Pierre et Marie Curie.

2007–2010 Team coordinator Laboratoire Modèles, Dynamiques, Corpus (MODYCO)

### 3.2 Research grants (coordinator/principal investigator)

1989 Coordinator and principal investigator: *Reading and machine off-line recognition of handwriting*. Faculté de Médecine Pierre et Marie Curie.

1992–1995 – Coordinator and principal investigator: *Eye-movements and perceptual processing in reading*. Contrat de Recherche Externe (CRE) INSERM.

1996 – Coordinator and principal investigator: *Naming and categorical discrimination in patients with Alzheimer disease and intact individuals: the role of color*. Faculté de Médecine Pierre et Marie Curie.

1996–1998 – Coordinator: *Expression et connaissance : l'incidence de la dénomination et de la co-articulation gestuelle sur la cognition*. GIS Sciences de la Cognition.

2004–2005 – Coordinator: *Under-determination of the visual field, categorical anticipations and thematization*. Réseau de Sciences Cognitives d'Île-de-France (RESCIF).

2006–2010 – Coordinator and principal investigator: *Semiotic Perception and Sociality of Meaning*. Programme Blanc, French National Agency of Research Funding (ANR).

### 3.3 Journal Editor and Scientific Committees

1990–2005 Member of the Steering Committee of *European Workshop on Cognitive Neuropsychology* (Bressanone, Italy).

1994– Member of the Editorial Board of *Intellectica*, journal of the French Association for Cognitive Research.

2002–2007 Editor in Chief of *Intellectica*.

2004– Member of the International Scientific Committee of *Language, Culture & Mind* Conferences.

2006 Coordinator of the Local Organizing Committee of the Second *Language, Culture & Mind* Conference in Paris, July 2006.

#### 4. Current interests

Current research interests in Cultural Psychology, Semiotic Anthropology (semiotic dimensions shaping human experience and conduct), Theoretical Biology (e.g. concepts of *autochrony*, *anticipation*, *developmental dynamics*), Philosophy and Epistemology of Psychology. Specific research topics include *expressivity in perception*, the concept of *inner voice (as a vector and regulator of inner and social life)*, *synaesthesia and intermodality* (and, more generally, *anthropology of perception*). Additional competence in History of Psychology (especially *Gestalt theory* and its subsequent avatars).

#### 5. Publications

##### 5.1 Refereed journals

- Rosenthal, V., Bisiacchi, P. (1982). Representing sentence content in aphasia: strategies and limitations. *Psychologica Belgica*, XXII-2, 143-160.
